

EVENT DETAILS

SHRUJAN 2.0

GIET UNIVERSITY, GUNUPUR

Event Name: Web War

Gender Eligibility: Both

Last Date of Registration: 22-Jan

Team Size: Single

Rules and Regulations:

- Participants are requested to come in uniform.
- This event will be of **TWO** rounds.
- Participants are informed to report to the venue as per the scheduled time.
- Problem Statement 1: Develop a website for the students where they can apply for their leave. Use both front-end and back-end to configure the website. At front-end after logging in to the website there will be a leave form where the student can fill their details and can apply for the leave. Then at back-end the admin can review the form and then accept the form or can reject the form.
- Problem Statement 2: Develop a website for the students where they can apply for changing their hostel. At front-end make a registration form where a student can fill their various details and also add a status option where the student can see whether the form is accepted or rejected. At back-end the hostel in charge can view the form and verify the various details and can accept or reject the application.
- Among the above problem statements choose any one and make the website accordingly.

Latecomers will not be entertained.
