SHRUJAN 2.0

GIET UNIVERSITY, GUNUPUR

TEAM SIZE:-1

REGIISTRATION FEES: - 10

RULES AND REGULATIONS:

1. All the candidates must fill up a form in the presence of the coordinators of the event.
Students shall be informed about the date and time of the form fill up round.
2. Based on the answers in the form students shall be shortlisted for the group discussion round which will be conducted on the same day.
3. Based on the performance in the g.d round students shall be shortlisted again, for
the personal interview which will also be conducted on the same day.
4. Based on pi performance a final list of students shall be shortlisted for the task
round which will be conducted on the next day. The shortlisted students shall be informed about the reporting time.

5. Every task will be time constrained and after every task some students, those who fail to perform, will be eliminated.

The first task will be a group task in which students will be divided into teams and they will have to perform a task named "hit the clue"in whichtheir presence of mind will be tested, and they will have to find some articles or certain marked places within the college campus. The team to report last will be eliminated and the other teams shall move ahead.

8. The second task will be "fill the balloon-tie it soon" in which students will be performing in pairs. The pair to finish last will be eliminated.

9. The third task will be "perfect mismatch" in which again students will be performing in pairs and the task will be time constrained and the pair to finish last will be eliminated.

10. The fourth task will be "pin the word" in which students will must collect alphabets and frame 5 words with each word containing at least 5 alphabets.

11. The fifth and the final task will be "angry bird" in which the finalists will prove their mental and physical fitness within specified time.

12. It is a learning and an exciting fun event, and any indiscipline activity shall not be entertained.
